

CIVIL ENGINEERING & INTERIOR DESIGN STUDIO

A unit of Sittle Technology Pvt. Ltd.

Building the Future of Odisha!

Driven by innovation, quality, and a commitment to client success.

Our expert team brings rich experience, technical skill, and a customer-first approach to every project - ensuring quality and exceeding expectations.

At Claptap, we don't just build structures - we build experiences, environments, and enduring value. Established with a vision to redefine the construction and design industry, Claptap offers a full spectrum of services that seamlessly blend architectural creativity, engineering precision, and practical execution.

Our Dream for Tomorrow

Our Vision

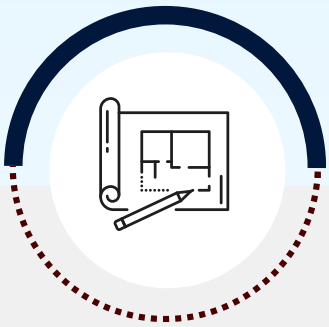

To become a leading solutions provider, renowned for innovation, quality, and community empowerment, while fostering a culture of excellence, sustainability, and customer satisfaction.

Our Mission

At Claptap, our mission is to revolutionize the industry by delivering exceptional, customer - focused solutions that inspire, endure, and elevate lifestyles - driven by innovation, quality, and a deep commitment to creating lasting value for communities and individuals alike.

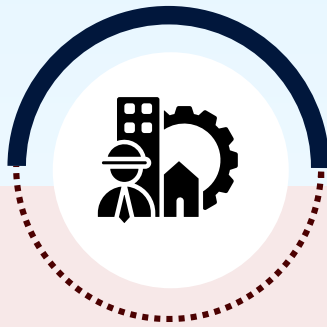

Core Areas of Expertise

Claptap delivers complete solutions combining efficiency, quality, and a commitment to your success.

Architectural Planning

Innovative, functional designs blending aesthetics, sustainability, and your unique architectural vision.

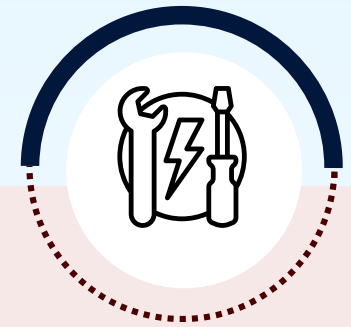

Civil Construction

Reliable civil construction for residential, commercial & industrial projects with quality & timeliness.

Interior Design

Creative, functional interior designs that transform homes, offices & commercial spaces into inspiration.

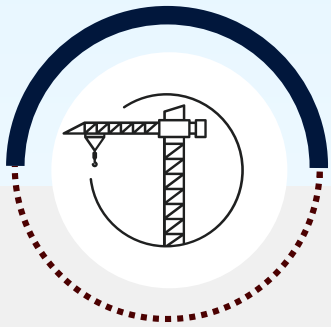

Electrical Work

Safe, efficient electrical installations for new builds, renovations & industrial setups with precision.

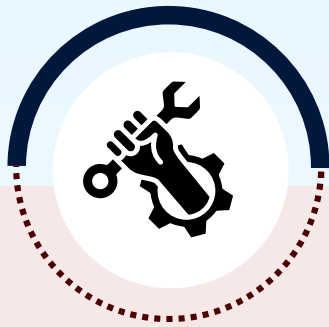

Core Areas of Expertise

Claptap delivers complete solutions combining efficiency, quality, and a commitment to your success.

PEB Construction

We deliver durable, cost-effective PEBs for warehouses, factories & industrial spaces with fast turnaround.

Mechanical Construction

Expert mechanical construction in HVAC, piping & systems - built for safety, performance & efficiency.

Turnkey Project

Turnkey solutions from concept to execution - delivering ready spaces with ease, quality, and accountability.

Consulting Services

Expert consulting in architecture, engineering & management - driving projects with strategy & precision.
